

Hello,  
My name is Joe Eller and I am running for the office of Vice President of Competition.  
I believe that I have the experience, the ability, and the desire to do the best job as your next VP of competition.

### **Experience**

I joined NCCC in 2004 and started actively competing in 2004, winning several Regional Championships and I'm the 2015 National Championship. I have competed in every sanctioned event type listed in the rulebook. I co-chaired the drag events at convention this year. At the club level, I ran timing for 11 years including completing the results, served as activities directory for 2 years, and webmaster for 3 years. At the regional level, I served as RCD for 4 years, and as webmaster for 5 years. I have extensive experience with the competition database program.

### **Ability**

I have worked in the information technology field for 30 years. The same skill set that I have used in the IT field applies to being a good VP of Competition: attention to detail, remain calm and keep a level head under pressure, the ability to make tough decisions, the ability to research to find the best solution, and the willingness to work well with others. Now that Teresa and I live in the same house together, I have the time to devote to this job.

### **Desire**

NCCC is our second family. We have planned family vacations around NCCC events and our closest friends are NCCC members. NCCC has given us so much that I cannot put into words. We are very passionate about NCCC's competition program. Now is the time for me to give back. I can best do that by serving as your next VP of Competition.

I believe that our current VP of Competition, Dale Samuelson, has done an excellent job. As such, if elected, I intend to follow Dale's example and perform the duties in a fair and consistent manner.

I would appreciate your vote.

Thank you,

*Joe Eller*
