IN MEMORY

Sue McGee
1946 - 2007

A Prayer for You

I said a prayer for you today and know GOD must have heard.
I felt the answer in my heart, although He spoke no word.
I didn't ask for wealth or fame - I knew you wouldn't mind.
I asked Him to send treasures of a far more lasting kind.
I asked that He'd be near you at the start of each new day,
to grant you health & blessings and friends to share your way.
I asked for happiness for you in all things great and small,
but it was for His loving care I prayed for most of all.

By Lucille Britt and read by Deb Murphy at Sue's funeral.

CHAMPIONSHIP

248-373-1700

From the President

The 2007 Convention is now history. I would say that it was a great Convention and I think that those who attended had a great time. I want to thank all of the members of Council and especially the members of the Nashville Club, who worked very hard over the last couple of years to make this Convention such a fun time for everyone. For the most part, Mother Nature cooperated and we got the events in as scheduled. The Marriott and staff did an outstanding job with our accommodations, the food at the hotel was very good and the parties were fantastic. The Nashville area offered a lot of things for people to see and do and many took the short trip up I-65 to see the Museum and the Corvette Assembly Plant.

Summer is waning and many of us will be going to various events across the country, participating in a part of Council that is always fun. Whether you are auto crossing, running high speeds, or doing car shows, remember to take a little extra time and be safe going to and from these events. That little bit of time could save you a lot of problems in the long run. Also, while you are at these events take time to let the people know how much you enjoyed their efforts so that we can play. These volunteers would much rather be playing but they give their time and resources so the rest of us can enjoy ourselves. I am looking forward to some more travel time and I know the Beagle is ready to resume traveling.

At the September Governors' Meeting some very important issues will be discussed. The upcoming budget, the 2009 Convention bids, and nominations of candidates for the Executive Board are just a few. This is very similar to what each region and club will be doing over the next several months. For each Regional Officer it is important to choose people who are willing attend the Governors' Meetings. The Regional Officers not only serve on the committees but they also represent each club when the club Governor is unable to attend the meeting. When a Governor cannot attend the Governors' Meeting, it is the Governor's responsibility to provide the Region Executive a signed proxy so that his/her club can be represented at these meetings. If, for some reason none of the three elected Region Officers can attend, the club can still get attendance credit by mailing a proxy to the National Secretary before the meeting or no later than seven days after the Governors' Meeting. This action by the club Governor ensures that the club will remain in good standing in accordance with our By-Laws and Standing Rules. To be in good standing you must be represented at three of five Governors' Meetings and you must be in Good Standing to vote on the National Officers and Convention Bids.

Remember this is an all-volunteer organization and I greatly appreciate all the volunteers and their efforts.

Thank you and I look forward to seeing you in Tulsa,

Richard Yanko

President, National Council of Corvette Clubs

Governors' Meeting Minutes ~ May 5, 2007

President Dick Yanko called the meeting to order at 1:00 p.m. All officers are in attendance except for Sylvia Hoaldrige and Gary Foster. This was followed by the Pledge of Allegiance.

He then recognized the members that are no longer with us: Del Wynn of Las Vegas Corvettes Association; George Blanchard of the Colorado River Corvette Club; Dick Wise a charter member of NCCC and of the West Ohio Region; John Wagle of Corvette Cruisers; Maurita Diffenhauser with Windy City; Terry Taylor of Corvettes of Wisconsin; Larry Troxel and Mike Cohen, Corvette Club of Michigan; and Bill Packer (NCCC founding father) and also Corvette Club of Michigan. This was followed by a moment of silence. Dick also mentioned those that are going through the fight with some major illnesses and to keep them in your prayers.

Introductions of the elected officers, appointed officers and Convention officers were made, including the Past President, Roger Mitchell. Introductions from the floor were then made of the Regional officers and proxies.

Dick asked for a motion to pay the proxy officers, motion made and seconded. No discussion, motion carried.

2009 is coming up with our 50th anniversary and there are also a lot of clubs celebrating milestones. He would like to start recognizing some of these clubs that have reached their 25th, 30th, 35th, 40th, etc. He recognized Circle City Corvette Club celebrating 30 years. This club has 156 members. The President is Frank Sheasley and the Governor is Fred Meade. They will be celebrating with a party June 9th. Congratulations!

Officer Reports

Carolyn Montgomery – Secretary

There were no corrections to the February 2007 Governors' Meeting minutes. Motion to accept as written made and seconded. Motion passed with the minutes accepted as written.

If you are not getting your minutes or having trouble opening, please let me know via email. I will be glad to work with you on this.

The secretary made the announcement that this is her last year in this position, so someone needs to be thinking about stepping up. Let her know and she and Manny will provide details of the position and will help with the transition. It is a lot of work, but it is also a wonderful opportunity to get to know your fellow Council members, governors and others. Again, Manny does not go with the new secretary.

Additional officer reports were given by: Patrick Dolan, Director of Charity; Debbie Lindsey, Director of Sponsorship; Larry Beebe, Director of Public Relations; Bob Bowen, VP of Membership; Rhonda Higgins, Distribution; Jim Harris,

Convention Steering Committee; Deb Murphy, Treasurer; Hal Bellamy, Business Manager; Pat Kelly, FCOA; Joan Thomas, Webmaster; Mike Godfrey, VP Competition; and David Heinemann, Parliamentarian.

Points were read as follows:

President Dick Yanko provided an update on the NCM. He attended the Board of Directors meeting and the expansion is now \$10mm with 46,000 square feet added and 17,000 sq feet renovated. They have purchased 17 acres of land on the NW side of I65 that will be used to make 1/8th mile drag strip and a road course. There will be two driving experiences this year and will be on the NCM website. Attendance has been down, for 2006 was 125,000 and for 2005 it was 132,000. They plan to raffle off 12 cars this year.

Old Business

Dick had just one item, called Rose Schmitt up to the podium and presented her with a parting gift for all of her hard work and dedication for the many years she had served as Distribution Manager.

Larry Higgins commented that he does not think we realize the value of what Rose and Don have done over the last 14 years until you get involved and start doing this. There are a lot of things behind the doors that you don't know about (he means as far as getting the job done) and he hopes they can do a great job like Rose and Don have done.

New Business

Dick - Something to start thinking about to be voted on in May of 2008 is our meeting location for 2010, 2011, and 2012. If you are interested in putting together a bid for a meeting sight need to start thinking about it. These bids must be in by the February meeting of 2008 to be voted on in May 2008.

At the last meeting we had discussed making our sponsors honorary members but after looking at the description of an

honorary member and further discussion among the E-Board it was decided they would instead be made MAL's.

They will have all the privileges of an MAL according to our rulebook; they cannot hold a National office. This will be looked at on a yearly basis. There is no cost to Council, since they already get *Blue Bars*.

Elections coming up at the November meeting will be for Secretary, Business Manager, VP of Competition and Sgt. at Arms. The only one who does not have to leave is Sgt. at Arms, because the others' term limits have expired. If you are interested in being nominated or want to nominate someone the form is on the website. You can give this to your governor; he can nominate you at either the convention meeting in June or the September governor's meeting. Dick asked for a motion from the floor to have Pat Brown, Patsy Shearer, and Diane Bowen serve as our search committee for our nomination of elected officers for 2008. Motion and seconded. No discussion, motion passed.

Looking for a treasurer for the 2008 Convention; if interested see Jim Harris. If you have any ideas on how to help Council celebrate the 2009 50th anniversary, jot those down.

Dave Heinemman presented the standing rules. The following motion was made (copy attached with minutes) - To present standing rule changes on a "line item" vote with a verbal motion and second from the floor for approval for each item." The motion was seconded. Per Dave, in lieu of making a motion in written form for each change or clean up item we are presenting to you on the floor, a motion that we are able to present you line by line and you will vote line by line. There will be opportunity for discussion for each item and a show of hands for yes or no. Dave read the motion again. No discussion, motion passed.

#14 still under discussion

February Meeting:

Proposed:

The Executive Board shall have the Treasurer's accounts – General Operating, Grants and Scholarships and annual convention accounts audited annually by a CPA Firm based on Agreed upon Procedures per the Statement on Auditing Standards. A report shall be presented to the board of Governors.

Motion was made and seconded. George Gallant asked if this would affect the price by audit. Deb Murphy explained that this would cut the number of hours needed for the audit so the cost should be reduced. No further discussion, motion passed.

#16 — Proposed new

The Charity raffle accounts shall be audited annually by a special committee appointed by the Executive Committee per Article 11 Section 4, for this purpose.

Motion was made and seconded. No discussion, motion passed

Governors' Meeting Minutes, June 17, 2007

Dick Yanko - President

Dick called the meeting to order at 1:05 p.m. and welcomed all to Nashville. John McGee and his group have been working very hard and for a very long period of time to make your stay here very enjoyable. So far, the remarks he has heard, everything is going well. He extended a special thanks to the Marriott and their staff. They have been working very hard with John and Sue over the last several years. We then continued with the Pledge of Allegiance.

Deaths of some members that occurred since the last meeting were then announced: Mike Bohannon from the Carolina Region; Will Adams, president of Flint Corvette Club; Bob Vance of Cowtown Vettes; Barbara Gagnon, MAL, original member of Corvettes on the Gulf and Eddie Evans from Glass City Corvette Club. These announcements were then followed by a moment of silence. Dick asked that we also take a moment to reflect and think about those who are serving in our armed forces, which allows us to enjoy outings like this and to also remember all of the members that you know, or friends of yours, who are battling for their life right now.

Dick introduced the Executive Board, mentioned that Sylvia would be arriving Wednesday and that Pat Kelly would not be here this week. He then recognized the Past President, Roger Mitchell; 2007 Convention Director, John McGee; Co-chairman, Jim Krebs; 2007 Convention Treasurer, Mary Bellamy; and 2008 Convention Director, Ron Ruston.

Officer Reports

Carolyn Montgomery - Secretary

No corrections to the May meeting minutes. Motion to accept the minutes as written was made and seconded. Motion passed.

The secretary reminded all that this is her last year as the term limits are expiring. She is looking for someone to take over. Just let her know as she and Manny are ready and willing to make the transition as smooth as possible. Patsy Shearer and Pat Brown are also searching for a replacement.

Dick - at this time the Regional officer introductions were made.

Additional officer reports were given by Dave Heinemann, Parliamentarian; Mike Godfrey, VP Competition; Bob Bowen, VP of Membership; Hal Bellamy, Business Manager; Deb Murphy, Treasurer; Jim Harris, Convention Steering Committee; Patrick Dolan, Director of Charity; Rhonda Higgins, Distribution; Debbie Lindsey, Director of Sponsorship; Joan Thomas, Webmaster; Larry Beebe, Director of Public Relations.

The current points will be posted on the website. He had sent them to Joan and she looked them over and said they cannot be right. He will review them once he gets home from Convention and once correct, will get them on the website along with the sanction log.

He read off the top 5 in the three categories:

Clubs

5. Carolina Region, Carolina Autocross Team - 2,068 pts
4. Florida Region, Corvettes of Naples - 3,872 pts
3. Southeast Region, Corvette Atlanta - 3,887 pts
2. Southeast Region, Nashville CC - 4,761 pts
1. Florida Region, North Florida Corvette Assn - 5,251 pts

Ladies

5. Southeast Region, Alysia Hardy - 409 pts
4. Florida Region, Mary Tooley - 451 pts

3. Carolina Region, Debbie Haskell - 470 pts
2. Southeast Region, Betty Parks - 645 pts
1. Carolina Region, Donna Littlejohn - 677 pts

Men

5. Southeast Region, Paul Barros - 422 pts
4. Carolina Region, Pete Dawley - 461 pts
3. Florida Region, Joe Tooley - 525 pts
2. Carolina Region, John Haskell - 560 pts
1. Southeast Region, Don Parks - 619 pts

These points are effective as of last Wednesday, June 13.

Old Business

Dick brought up that at the Governors' meeting in May 2008 we will be deciding on the meeting place for 2010-2012. If you want to put together a bid for a meeting place, it has to be in the at the February 2008 meeting.

Elections are coming up and the open officers are: VP of Competition, Business Manager, Secretary and Sgt at Arms. We have a nominating committee, which includes Patsy Shearer, Pat Brown and Diane Bowen. Dick asked for nominations from the floor, which we do at this meeting and at the meeting in September. Arnie Bailey nominated Jack Wilson, current National Champion, from the NW Region for VP of Competition. Nomination was seconded. No other nominations.

New Business

Dick mentioned one of the things the E-Board had talked about was the budget for 2008. Costs have gone up for postage, for gas and all of these have a direct impact on our organization. He would like for you to take some thoughts back to your clubs and think about ways that we can save money. Some of the ideas that have come up are:

1. As you know, the elected Regional officers get reimbursed based on the governor's mileage. One of the thoughts is to limit the reimbursement to \$500 per meeting.
2. Raise dues.
3. Cutting one of the Governors' meetings, just having three and Covnention, instead of four and Convention.
4. Cutting one issue of *Blue Bars*.
5. Putting a surcharge on each event held to help pay for competition awards.
6. Combine positions on the E-Board.
7. Redistrict regions.
8. Knocking out the hospitality at Governors' meetings on Saturday night.
9. Cutting E-Board meals out during the Saturday meeting.
10. Looking at how we distributed pins and calendars (do not confuse this with eliminating pins/calendars).
11. A big one is going out and recruiting new members. One of the selling issues that remain for new members is insurance. There are a lot of people who do not think we have a good insurance program or that as a club that only does car shows, paradfes or dinner events that think they don't need insurance.

Dick asked that we just think about these and there are probably other options that we have not thought about. If you

come up with something, let us know. The budget new year is going to be very painful. Larry Hickman asked what type of deficit we are looking at for next year. Dick responded based on today's membership figures, we are looking at \$40,000 in the hole.

Motion was made to adjourn the meeting and seconded. Meeting adjourned at 12:50 p.m.

Respectfully Submitted,
Carolyn Montgomery, Secretary

From the
Director of Public Relations

I want to say, "Thank you," for all of the people who worked on and helped to make this year's Convention such a success. You all did a great job and, as far as I know, everyone had a great time. John and Sue, you did a great job. Thank you for your time and efforts!

Use of the two "Promotional Displays" has been great so far this year. Since last report, the Displays have been to: San Diego, CA; Missoula, MT; and Marshall, MI.

July is a slow month for use, but in August they will be visiting: University of Okoboji CC in Arnold's Park, IA; Corvette Crossroads Auto Show in Mackinaw City, MI; and Corvettes at Carlisle in Carlisle, PA. September is busy with the Displays showing up in: Cincinnati, OH to celebrate Cincinnati Corvette Club's 50th Anniversary; Effingham, IL for Mid America Motorworks' "Funfest" and to Carolina Corvette Club's "Corvettes at NASCAR (NTI)" in Mooresville, NC.

Please check the NCCC web site for information about the Displays and a Calendar to schedule your event. Email me for information or questions at: publicrelations@corvettesnccc.org.

Thank you for helping to "Keep the Displays on the Move."

Larry

Wow! What an awesome issue!

In case you haven't noticed, this is the biggest issue of *Blue Bars* ever published. I hope that you take the time to read it from cover to cover, including the Minutes of both the May 7 Governors' Meeting and the June 17 Governors' Meeting held at Convention in Nashville, which are a great way to know what's happening in NCCC. Remember, if you have any questions about something in the Minutes, please contact your Club Governor. You will also notice that this issue contains the complete results of all the events, including the wine tasting contest, held at Convention, along with numerous photos of this special occasion. If you were at Convention, you just may see yourself...or your Corvette...in one or two of the photos. Thank you...thank you...thank you to Bob Kutty, Doug McMahan, Nelda & Roger Mitchell, Janice Sudia, Joan Thomas and Dick Yanko for contributing these photos. My thanks also go to the officers, both National and Regional, and NCCC members for your contributions to this issue. Don't forget to check out "Regional News" for words of wisdom from your Regional Officers. This is another way to keep you, the member, informed of what's going on in NCCC.

As some of you know, Larry and I attended the last half of Convention in Nashville and had a wonderful time. It was indeed the best medicine for me. I wish to thank all of you who have kept us in your thoughts and prayers. They worked! I was declared cancer-free a month ago! I consider myself very, very fortunate to be associated with such a wonderful organization as NCCC, my second family.

As always, don't forget the following *Blue Bars* deadlines: September 1 for the Fall issue and December 1 for the Winter 2008 issue. All contributions are welcome.

Sylvia

PS: I miss you, Sue.

From the Director of Sponsorship

Nashville, Tennessee- Convention 2007- What a Blast!! This sums it all up for me and I think all of the other participants would heartily agree. Hats off, kudos, etc. to John and Sue McGee, Jim Krebs, and their entourage of helpers who did a fantastic job of planning and implementing a fun week for the members of NCCC who made a smart move in deciding this was a convention they would not miss! I don't think anyone was disappointed!

Once again, we had great sponsorship support at the event that allowed the decision makers to add some extras to the week of activities for all to enjoy- especially if you were able to stay to the end of the week. Who were those sponsors? Let me list, one more time, the sponsors who provided awesome support for the week: **Chevrolet**, as an event sponsor; **Goodyear**, sponsor of the barbecue; **Kumho Tires**, sponsor of the high-speed event and party on Thursday night; **BridgestoneFirestone**, sponsor of the low-speed event and the car wash over the weekend; **MidAmerica Motorworks**, sponsor of the funkhana; **Hoosier Tires**, as an event sponsor; **Zip Products**, sponsor of the rallye; **Corvette Central**, sponsor of the Elvis party; **Paragon Corvette Reproductions**, sponsor of registration materials; **Langka Products**, **Adams Polishes**, **Corvette Arthouse**, **Southern Car Parts.com**, and **Fast Vette Accessories**, who all served as event sponsors. Each registrant benefited from the support of these companies and I hope that all NCCC members will show their appreciation by supporting these companies, visiting their web sites, and purchasing their products. They support us, so it is only fair that we should support them as well! Thank you, thank you, and thank you!!!

We have added a few new companies to the Special Discounts for Members page, so please look at that section of the web site. Neon Clocks USA is offering a member discount on some beautiful Corvette clocks. Corvettegearusa.com is offering a special discount for NCCC member for their products. Hopefully, you are taking advantage of the Choice Hotels and rental car discounts from Avis and Alamo as you travel this summer. And don't forget to use your NCCC credit card to add to the NCCC rebates. If you do not have a NCCC Visa credit card, check with your Regional officers about applying for the card with the code that allows NCCC to receive the \$30 royalty for your participation.

Solicitation of sponsorship for 2008 will begin soon with the focus on Convention 2008 in Tulsa and our membership. The theme of "Racin' on Tulsa Time" may be expanded to "Corvettin' on Tulsa Time" as we want all of our membership to participate in this annual event that will be hosted by the Southwest Region members. Corvettes of Carlisle and the Mid America Fun Fest are two events that we will be participating in to raise awareness of NCCC to the Corvette owner and to Corvette-focused companies as well. One of our sponsors who attended Convention commented that they were surprised that there were not younger members attending Convention. This is a fact that has been noted by many. Participation in some of these larger shows gives us exposure to a wide variety of individuals and ages and, hopefully, this exposure will become a positive step for NCCC. Thanks for allowing me to participate in these activities.

Debbie

Addendum- Since initially starting this article, NCCC lost one of its "stars" with the death of Sue McGee. I have been afforded the opportunity to write an article for NCCC and realize that we have lost other members in the past few months who were near and dear to many of our members on a local and regional level. While all of these souls are special and unique to NCCC, the loss of Sue has saddened many members across the country as both Sue and John have served NCCC and the Southeast Region for many years, most recently in planning the Nashville Convention. Although her health did not allow her to attend, her influence was evident in the planning and success of this activity. And I saw the motivation and desire of so many to make an even greater effort to make this event successful because they were proud of her and loved her so much. Sue was known for her special "drawl" that was different from the "Texanese" that I speak. But more importantly, she was a fun-loving, kind, intelligent Southern lady who had a great smile, never met a stranger, and would do anything she could to make you happy. I will always remember her with her special black wig that she sported at Convention 2006, wearing a big smile and her words- "Don't worry! When you get to Nashville, we are going to take care of you." And that she (they) did! (Thank you Sue, for the honor and privilege of knowing you!)

From the Webmaster

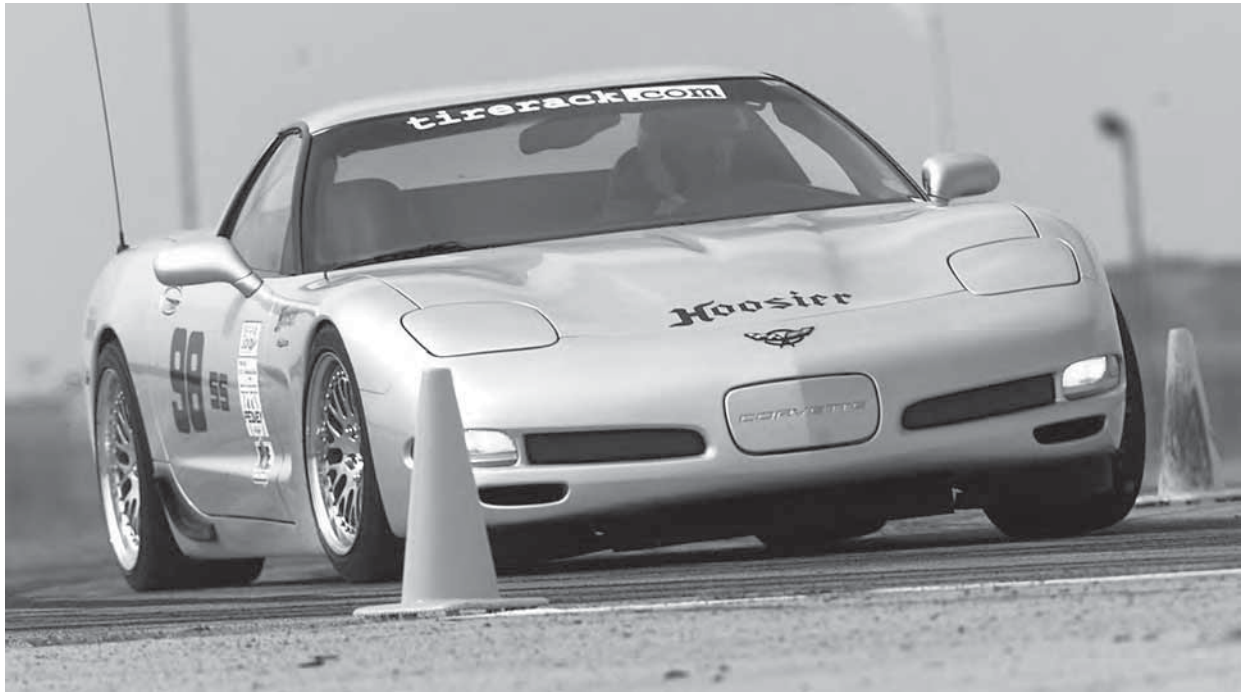

There were 16 clubs from 11 different regions that entered the 2007 NCCC Club Web Site Contest. In a very close competition, this year's winner is the Cowtown Vettes (Southwest Region) web site with Doug McMahan as its Webmaster. The second place award went to the Capital City Corvette Club (Michigan Region) web site with Gloria Reiffer as its Webmaster. The third place award went to the Top of the Rockies Corvette Association (Rocky Mountain Region) web site with Mike Konshak as its Webmaster. All 16 of the Web Sites are currently linked on the NCCC Web Site and I encourage everyone to take a browse.

My thanks to Brian Foster, Cindy Urenda and Tom Reitz for the great job they did judging the Web Site entries. Thanks also to Zip Products for their Sponsorship of the Contest again this year. Look for information on the 2008 Contest about the first of the year.

From the *2007 Director of Convention*

Well, believe it or not the 2007 Convention is now a fantastic memory! From all the rave reviews that have been received, it seems it was quite successful. The success was the result of careful planning and sheer luck. On the few occasions that we encountered problems, it was like magic that a solution was right in front of us. Magic perhaps or was it Sue's inspiration?

Thanks go to our sponsors for their resources and financial assistance. With their support, we were able to provide first-class revues for Convention. We had the opportunity to show our appreciation to them and the other vendors who packed the Corvette Mall (hosted by Freda Davenport – Southeast Region) with great merchandise. Understand the sales were brisk!

Everyone must have been excited to get to Convention this year, as we had most participants checked in by Saturday evening. With the efficient efforts at Registration (hosted by Gail Dawley, Carolina Region) and Tech (chaired by the Meessemans and Fulks from the Michigan Region), the check-in process was smooth and quick. The warm-up party was packed and the beer was flowing. It was a shame that the RCD's weren't able to share in the fun that night!

The week's competition kicked off on Sunday following the National Governors' and Convention Participants' meetings. The Concours (hosted by Bob Kirsch and Melanie Gruhn, both from the East Ohio Region) was held in the parking lot outside the Corvette Mall. There were 46 cars participating in the show. At the same time, the Funkhana (hosted by Rhonda and Larry Higgins from the Midwest Region) was going on in the Hospitality area of the Corvette Mall. Originally the Funkhana was going to be held on Tuesday with the Rallye, but due to the large number of Rallye participants, the Funkhana was split between Sunday and Tuesday. A Southern-style picnic and a premier Country band followed these events.

Monday found the crowd traveling to Bench Bend Raceway in Bowling Green for the Record and Bracket Drags (hosted by Mike Godfrey, Indiana Region with help from Joe Reese and Ron Ruston, Southwest Region). Mother Nature kept everyone on their toes with numerous rain showers. Never fear though: Both events were run in their entirety. During the day, a lot of conventioners were able to attend the Drags as well as tour the Corvette Museum and Assembly Plant. Monday night's entertainment featured the only two brothers who perform as Elvis, straight from Tupelo. What a great performance!!

The Rallye (hosted by Richard Yanko, yep – the President, from Southeast Region) started early Tuesday morning to accommodate 134 entrants (which reduced down to 102 participants). It rained off and on throughout the morning but didn't dampen the enthusiasm. The Funkhana finished its competition in the afternoon. A total of 50 teams experienced the 'kid in them'! Tuesday was a free night which allowed folks to go to the Grand Ole Opry, downtown Nashville or just hang out at the hotel.

The Low- (hosted by Pete Dawley, Carolina Region) and High- (hosted by Don and Betty Parks, Southeast Region) Speed events were held at Nashville Superspeedway on Wednesday and Thursday. With the help of Bridgestone/Firestone and Kumho, participants had access to air and tire support for the events. Participation was good

for both events (207 - Low, 149 - High). A special Nashville Star and a Blues Band performed for the crowd on Wednesday and Thursday night respectively.

The Golf tournament (hosted by Ron Jarrell and Johnny Biffle, both from Southeast Region) was held early Friday morning. The Convention Awards breakfast and presentation was held later that morning. The evening concluded with the National Awards and Charity Corvette Raffle and Drawings.

Special thanks go to all the volunteers from around the country who helped to chair the events. The chairpersons not previously mentioned above include Convention Treasurer Mary Bellamy, Merchandise - Dick and Sue Runyan, all from Indiana Region; Program - Amelia Workman and Michele Mize, Decorations - Deborah Jarrell, Alysia Hardy, and Rita Biffle, Door Prizes - Gary Davenport, Security - Martin Workman and Lynn Ryder, Beverage - George Kimble, Awards and Jack Daniels - Al Bennett - all from Southeast Region.

We introduced a new twist in recruiting volunteers for this Convention with the creation of a Volunteer Chairperson (Sandi Jones, Southeast Region). Numerous conventioners took advantage of the easy web site sign-up to volunteer to work the events while others waited until their arrival at Convention to sign up with Sandi. Thanks to everyone who helped!!

Another unique happening at this Convention was the opportunity to purchase a special Jack Daniels Single Barrel bottle. The event was a sell-out! An added bonus was that Jimmy Bedford, Master Distiller at Jack Daniels, was on hand Sunday and Friday to sign the bottles. Jimmy was the keynote speaker at Friday night's banquet.

One more first: For something that started as a joke, the wine tasting competition was a huge success. There were 23 different varieties of wine tasted over three evenings with over 330 participants.

In closing, we want to thank everyone at Convention for making this such a great week. Your help and words of encouragement really made the difference! As we dedicated Convention to Sue, y'all made it the memory that she wanted everyone to take home. Remember Sue. Remember the good times!!

Hope to see everyone at Tulsa next year...

John McGee, Convention Director - Jim Krebs, Convention Co-Director - Betty Parks, Convention Assistant

CAROLINA REGION

www.crnccc.com

This year the Region is moving in a different rhythm with less than half of the available Sanctions being used and no events for the month of July being hosted.

August will be a Concours month; then the racing action starts again on Labor Day weekend with two days of High Speed fun at Carolina Motorsports Park. Next will be a National meeting, Concours, and two 14-event weekends. If you haven't been to the Carolina Region, here is your chance to have all the fun you can stand. So, how long can you hold your breath in an Autocross? October starts with a Concours followed by a 14-event Autocross weekend, and more.

Check out the Region web site for more information on what's up!

See you soon,

FLORIDA REGION

www.ncccsouth.com

The Future of NCCC!!!!!!! FCOA??????? The Florida Region is making an effort to increase the membership of FCOA (Future Corvette Owners Association). As of the May 2007 Governors' Meeting in St. Louis, the Florida Region had a 25% increase in FCOA membership. This was the largest membership increase in all of NCCC. I have attended a few Florida Region NCCC club meetings and impressed upon the members how important the FCOA is to NCCC. We need to figure out how to get new members into our organization. The long-term plan is getting our young people interested in the events that NCCC sponsors. Take them with you to shows, autocrosses, etc. They can see what goes on and tell their friends about their experiences with their Moms', Dads' or Grandparents' cars. It will take some time before they will have their own Corvette, BUT we have planted the seed to interest them in our sport. Many of the clubs in the Region are paying for their members' children and grandchildren from their own clubs' treasury. I think this is a giant leap forward to increasing FCOA membership. Congratulations to the clubs that are doing this.

I am trying to attend every Florida Region NCCC club meeting to introduce myself and answer any questions about NCCC that I can. If you would like me to attend, please contact me and I will set up a date with your club. You can contact me at n2vettes@earthlink.net or on the Florida Region web site.

entertaining over 800 National Council members. The entertainment in the evenings was outstanding. Congratulations to the Michigan Region members who took home several convention trophies, plus our Region members who received several of the Top 15 awards handed out at the banquet on Friday night. Check out the award winners in the Convention competition section. Thanks again to the McGees and their workers for their warm Southern hospitality. Looking forward to the 2008 Convention in Tulsa, OK.

A note to my fellow Region members: No, I did not win any tires at Convention.

The numbers are in: if you bought a ticket for the 2007 Corvette Raffle, your chance of winning was 1 in 9,750.

Watch for Michigan Region's 2009 Convention bid presentation at the September Governors' Meeting. Those who attended the Nashville Convention got to see what we have to offer in 2009. After checking out the bids from Rocky Mountain Region and Michigan Region, please vote for "HOME AGAIN" in Michigan 2009.

Michigan Region competition is going strong with more events to come. Check out our web site calendar of sanction events and join the fun in Michigan.

MIDWEST REGION

www.mwregion.com

The Midwest Region is off to another active year with 62 of our 151 planned events completed by July 1st.

All of our regions have continuing issues with keeping and finding new venues to have our events. The key is all competitors need to keep an eye out for potential places to have our events. If someone sees a potential place, they should try to find out who the appropriate contact is for that site and relay that information to their Club Governor.

A number of MWR members attended the Nashville Convention and had a most enjoyable time.

We are anxiously awaiting for Tulsa in 2008.

Stay safe and enjoy the rest of the season.

NORTHEAST REGION

www.geocities.com/nernccc/

Well, another summer is here and there are certainly enough events planned for all of us Corvette enthusiasts. We have to make up for the six months or so our Vettes are dormant, sleeping under blankets and covers in garages, barns and shelters, huddled against the wind, snow and cold of the Northeast. But by late April we rolled them out, tuned them up, shined the Vette and got ready for a nice long summer. The first event was the opening day at Watkins Glen International Speedway; nobody passed the pace car this year, so nobody was thrown off the track. The first sanctioned event of the season was up at Tri-Vette's famous Edinburgh track; yes, some pot holes were filled, but the S-curves are still a challenge. Two days of competition and lots of good food at everybody's favorite feeding place. A couple of weeks later, we all went to the drag strip that was rained out in the afternoon, so we came the following week with more cars and the eliminations. It should be no surprise that the old man of the group, Dick DeSocio, was the only trophy winner in eliminations with his 2000 roadster and his great reaction time of about three minutes or so. Tom Gee had a great time in his Z06 and John Backman ran close to him with his ZR1. Fred Scott had to leave early to make sure his beer at home wasn't getting too cold and Joe D'Amico is still half-way down the track two weeks later with Ol' Betsy, his '76 with millions of miles on it.

Some large events of the summer are the Syracuse Nationals Street Rod Show (which had close to 7,000 cars in attendance last year). Several hundred Corvettes were there for the three-day event and classic car auction and over 100,000 people attended the show. Vettes at the Beach is coming up quickly and last year there were over 400 Corvettes at the beach. A new first-year Corvette event is planned for Central New York; all Corvette owners and Corvette clubs in the Northeast are invited to attend, as well as all NCCC clubs and all non-affiliated clubs and any individual. This could be the largest non-judged show get-together ever in the Northeast (Corvette Woodstock) with food vendors and a live rock band. It will be held at Pratts Falls County Park. Information, maps, directions and motel information are available at the web site: <http://www.corvettewoodstock.com>. Some clubs are planning their club picnic at this venue. Send your car pics to the web site, too.

Several good-size judged shows are planned this summer all over the Region for those who are into waxing and shining their Vettes and stocking up on trophies for winning or Kleenex for the losers. Destiny Corvette Club has two large sanctioned events planned, a four-event day and a three-event day in July and August. For details, see their web site at <http://www.destinycorvettes.tripod.com>.

Regional News

Last year, 2006 was the 5th straight year the Destiny Corvette Club won the Competition championship, followed VERY closely behind by The Southern Tier Corvette Club. This year it is expected to be an even closer race to the finish. Although there are several NCCC clubs in the Region, only a few participate in these fun autocross events. The season for us is very short at the tracks and we would like to see more clubs either get involved in autocrossing or at least attend and watch the fun. Finally, I promise to be at the next National Governors' meeting to show that I actually am alive and kicking and to support the ideas and interests of the Region's Club Governors and general members of the Northeast Region NCCC. Besides, I have to protect myself from Jack Carkner's stories and try to remember some of his jokes.

Roadrunner's 2007 competition season is moving forward with several well-attended events in the books, and many more on the way. St. Patrick's Day weekend saw Arizona Competition Corvettes hold four autocrosses at the Big Boys & Their Toys Luxury Men's Expo at WestWorld in Scottsdale (home of the Barrett-Jackson Auction). This was followed in April by three autocrosses in Sierra Vista hosted by the Thunder Vette Set and three more in Tucson hosted by the Tucson Corvette Club. The Tucson club also held their annual Presidio PC in April and Verde Valley Vettes held two rallyes in Cottonwood. May was highlighted by the Tucson Corvette Club's annual SuperBash with bracket drags, an autocross, a PC and a gimmick rallye. Upcoming events through September are on the Roadrunner Region web site and include: four autocrosses in Sierra Vista hosted by the Colorado River Corvette Club; a weekend featuring four rallyes and a PC in Ruidoso, NM, hosted by the El Paso Corvette Club; Desert Corvette Association's Millard Fillmore weekend with seven sanctioned events and the notable return of autocrossing to Labor Day; a concours in Cottonwood by Verde Valley Vettes; and the Albuquerque Corvette Association's SW Invitations at the end of September with two autocrosses, two matching times, a PC, a funkhana and a rallye. Hello Rocky Mountain Region,

As we're all having a great Corvette season this year, we're all looking forward to the chance that the Rocky Mountain Region hosts the 50th annual NCCC Convention in 2009. Right now, we're in the running with Grand Rapids, MI and they're definitely tough

competition.

We believe that we as the Rocky Mountain Region have a great offering to give the membership with a fantastic time in the beautiful State of Colorado. Just remember, we're the inspiration for Katharine Lee Bates writing of "America the Beautiful!"

Remember to vote for us when you see the Convention ballot!

John Maxwell, Rocky Mountain Region RE

It has been a good summer with lots of Corvette events to attend. We have had some great events already, but there are still more upcoming. The Region's web site has all the latest information about things going on in the Rocky Mountain Region. Let one of the Region officers know if there is anything else you would like to see on our web page.

A reminder to all Club Governors to be sure and send your ballot votes back into National for the 2007 election of officers and other items on the ballot. Please don't forget to vote for our Region's bid for the 2009 NCCC National Convention if your club would like to see it come to Colorado. This will be a joint effort of all our Region clubs.

It's hard to believe that it's over. After more than two years of planning, the enjoyment and friendship of NCCC Convention 2007 is over.

We must give thanks to our friends, John and Sue McGee, for their wisdom and knowledge for planning and presenting the best convention we've attended in many years. A special thanks goes out to Betty Parks for her unbelievable efforts assisting John and anyone else who needed help during this Convention week.

I know many would say, "They had help." Of course, they did. If it weren't for the volunteers who stepped up and gave of themselves and their time, the over 700 registered Veters wouldn't have had the experience of a lifetime. The various chairpersons, and you know who you are, came to John and Sue and asked, "How can we help you put on this Convention?" They came, and they did!!!

We must not forget the support given by the local group, the Nashville Corvette Club, and the many, many members who volunteered their time and service to help make this Convention a success.

This is what the National Council of Corvette Clubs is all about. Someone once described it as "one big family." That is exactly what it is...people helping people, and friends helping friends.

There was much competition for all to enjoy. Of course, on the day of the Drags, Mother Nature insisted on dumping her daily portion of water on the Bowling Green area. So, after a considerable delay, we finally got to begin the competition. I would be remiss if I didn't mention the fact that my wife, Anne, won her Class, IH, in the record drags. Congratulations, Anne!!!

Jack Carkner, Southeast Region RE

Southeast Region - Convention Edition

The competition within the Region has been going strong this year. We've had events in Huntsville, Nashville and Atlanta for a total of 42 events by the end of April -- which is not bad considering we

Regional News

only had 47 events in total during 2006!!

NCCC's 48th Annual Convention in Nashville, TN was a HUGE success!! Our hat goes off to our own John McGee, as the Convention Director, and all the volunteers who helped to make the Convention one of the best ever. Everyone was pleased with our "Southern" hospitality.

Mark your calendars now -- we're going back to Tupelo, MS this fall! Those events are planned for October 6-7 (14 low speed autocrosses). The remaining events for the Region include November 2-3 (14 low speed autocrosses in Huntsville, AL), November 23-25 (four high speed autocrosses in conjunction with four high speed autocrosses from the Florida Region at Roebing Road Raceway near Savannah, GA), and finally December 1-2 (14 low speed autocrosses in Huntsville, AL).

At this point, all but three of our clubs' sanctions will be used in this year's competition, which represents 97% utilization. That is a tremendous feat, one that hasn't been done in the recent past. (Honestly - can't remember if we've ever used that percent of sanctions in one year!) We want to give a special thanks to the clubs that donated their sanctions to the Region, including Stevenson Corvette Club, East Tennessee Corvette Club, Corvettes of Clarksville, Lanier Corvettes Unlimited, West Georgia Corvette Association, Tri-Cities Corvette Club, Miracle Strip Corvette Club and Playground Corvette Club. With their help and support, we will host **88** events during 2007!!

With all this talk of competition, we want to mention that the next generation of competitors is on the horizon. We were concerned as the Region began losing our young guns, a.k.a. Dependent members (Cat Parks to marriage and motherhood; the Miller clan to college, marriage and motherhood; the Main kids to college -- just to mention a few). Have no fear -- we've got a couple of new young members who have come forward to fill in that void: Currie Brown [Valley Vettes] is pushing her dad to the limit in their 1981 T-top while her brother Silas is off at college; Katherine Baize [Corvette Atlanta] is driving the wheels off her mother's C6 (Wonder if Dad will let her drive his Ron Fellow's Edition.); Kyle Smith [West GA Corvette Association] came to the recent Gwinnett events -- has he gotten the bug yet? As we get older (or more mature), we need these young folks to carry on our legacy.

Save the Wave!!

SOUTHWEST REGION

Well, in a couple of weeks summer will be here, but already the weather man is saying the temperature for the rest of the week should be 92-94. Add that to the rain that we have been seeing for the month of May and I now believe it is spring in Texas and the Southwest Region. By the time you receive this issue, this will just be a fond memory.

We have started our racing season with a couple of clubs already allowing us to wear out our tires and our bodies. But it is all in fun, as we all know. After Convention, we will start racing once again.

The Southwest Region is hosting 2008 NCCC Convention, so hopefully all those who attended Convention in Nashville brought back lots of good ideas we can use. We will try our best to do as good as Nashville did and show NCCC members a good time in the Southwest once again.

Remember to stay cool and enjoy life to the fullest.

Steve and I have just returned from Convention in Nashville and had a wonderful time. Everything from the concours, drags (even though it did rain), low speed and parties were very well put on. If you did not attend, you missed out on a great time. Next year, it is our turn (the Southwest Region) and I hope with all the good people we have in the Region that you will attend and help us out with Convention. Get with your Club Governor to volunteer. You will meet and make friends from all over the country.

We now have 19 clubs and 1500 members in the Southwest Region with Tulsa Vette Set being the largest club with 410 members. Keep up the good work.

See ya at future events.

Remember how excited you were when you first joined a Corvette club? All the new experiences in the car of your dreams? I remember how thrilled we were to be part of a Corvette cruise and getting a chance to show off our car with a group of other Corvettes. Now the challenge is to keep up that excitement for the new and not-so-new members in our clubs. Summer is here and it is time to get out and enjoy our Corvettes. The West Region has any number of things to do from Car Shows and Rallyes to low-speed events. There is even a high speed event in the planning at the new track at Newton, IA. Another club is planning to add an economy run with their weekend of sanctioned events. There are plenty of opportunities to get out and have fun with your Corvette. If there isn't something that tickles your fancy, talk to your Club Governor for ideas of what is going on and if there is a way to get some activities going that you would like. After all, we all need new ideas to keep from getting in a rut.

Respectfully submitted,
Gary Brisbois, West Region RE

I am writing this following the Memorial Day Weekend. The Corvette Club of Iowa, Cedar Rapids Corvette Club, River City Corvette Association and the Muscatine Corvette Club put on another excellent weekend with car shows, rallyes, funkhanas and racing. Something for everyone! The week before, the Cornhusker Corvette Club and the Nebraska Corvette Association ran off a weekend of seven low-speed autocrosses like clockwork. Things went so fast that

additional runs were added after the first two runs and we still finished by early afternoon. They really had their acts together.

We have a great start but have barely scratched the surface. We still have 81 sanctioned events left and I am aware of about a dozen more in the works. Let's all work to get someone in our respective clubs out and participating in the West Region Competition Program. Surely there are events in the schedule that interest everyone. And, just in case there isn't, then jump up and organize one that does interest you. You won't have to do it alone. You'll be surprised how easily a club can come together behind an idea. Work with your Club Governor; he or she is a great asset. If all else fails, call me. I'm willing to help. Let's use all those sanctions.

Respectfully submitted,
Tim Bailey, West Region RCD

Hope everyone is having a fun summer with your Corvettes! Nashville 2007 Convention was great as was expected from such worthy hosts. Thank you to John and Sue McGee and their talented help. They did a super job under great duress.

We had an increase of 24 members since February. I hope that now our Corvette season is underway we will be able to add many more members. So while you are out cruising, keep your eyes open for new prospects. Also, don't forget to sign up children to FCOA. We've had an increase of 17 members since February. That seems small, but it was larger than any other Region. We are still behind the Midwest Region by 73 children. You can find information on FCOA in this *Blue Bars* or on the web site. Also, remember that the West Region gives out scholarships to members' children and grandchildren. Check out the West Region web site for more information or contact me at my email address. We will award the scholarship at our September West Region meeting. Applicants who win the National scholarship will not be eligible for the West Region scholarship.

Happy Corvetting! Hope to see you out and about.

If you are new to the Region, welcome to a great organization made up of members who know how to enjoy life and have fun with their Corvettes. In fact, the new clubs have brought new enthusiasm to the Region with new

Regional News

events and new people running for points with competitive spirit. There are members in the points standing this year who had no points last year.

Autocross, People's Choice Car Shows and Rallyes are the normal competition events for the WCR. This year there were two rare events for the Region: an Economy Run hosted by Hot Nevada Vettes, a new club; and two Judged Concours hosted by Las Vegas Corvette Association. Hats off to these two clubs in researching the operation and hosting of these difficult events. These two clubs also hosted events over weekends, which added relaxation and social time. It looks like the Nevada area was the hot spot besides temperature for the WCR during the first part of the year. There seems to be growing interest in a combination of a social- and competition-type weekend. The partying and relaxation of Corvettes West Big Bear Bash again this year was the talk of the Region. This will be the third year that Vapor Trail Vettes is hosting a weekend event. Corvettes of Fresno and Las Vegas Corvette Association will be having various types of Corvette activities over a weekend at a general location. If you have ideas for a single or weekend event, please bring them up at the next Regional Meeting on September 29 in San Diego. By the time you read this, most of the summer Corvette events will be great memories with Corvette Super Sports and Millennium holding car shows in August. The last event of the summer is Las Vegas Corvette Roulette. The fun doesn't stop because summer is over. We still have a lot of great fall events on the West Coast Regional calendar. Check out the calendar on the Regional web site at <http://www.ncccwcregion.org>. For example, Pomona Valley Corvette Association car show in October and back up to the high desert for the Wild West Corvettes car show, also in October. In between shows, it is off to the Central Coast for an autocross by Vapor Trail Corvettes. Let's get out and support the clubs that put on events.

If your club puts on an event and you want to share the fun, do not keep it a secret. It only takes an email message or a flyer sent to the West Coast Region Webmaster, Cliff Harris, to get your event on the Regional calendar. You will meet great people who share your interests, like the Corvette and fun. If you want to put on a more serious event, like a car show or a rallye, get in touch with Les Rajczi, our Regional Competition Director, for information on how to do it. With only a little guidance from Les, you can do it. Remember that NCCC is a National organization. We are not the only region having fun. Check out the messages from the other regions and maybe you will get an idea for a great event your club can do.

The Regional Meeting will be September 29, 2007 in San Diego. Ask your Club Governor about the location. All NCCC members are welcome to come to the meeting and participate in the running of your Region.

All of your Regional Officers look forward to seeing you at future events.

I wondered for a whole year what it would be like to get up on stage at our National Convention and accept an award; after attending 354 different events and collecting 3,733 points, I got my chance in Nashville.

The very idea of running for "Number One" was given to me by the late Mike Bohannan, the founder of our Carolina Autocross Team. Mike noticed how much I loved autocross events and encouraged me to "go for it"...so I decided to give it a try!

The year started out gat! I bought some sticky tires, got a new set of wheels, and did a little work on my Z06 to get it ready for a busy racing season. Heck, I even learned to load and unload my car on the trailer without breaking my nails!

Then I excitedly searched every region's calendar for events and built a very busy schedule for myself. Every weekend, starting in February, I said, "Great! Another event this weekend!" Sadly, by October, that turned into, "Oh no, another event this weekend!"

I traveled the country, met lots of fun, fantastic people and was inspired by many, many really outstanding drivers. And although I traveled and towed my car around all year by myself, when I got to an event site, I was *never* alone. Thanks to all the clubs I visited and raced with that welcomed me and made me feel like I was part of your group. You invited me to your club rs, inner, your picnics and your parking lot parties -- I always felt right at home with all of you.

Now even though it's an individual award, everyone knows that running for a National championship is not something you can do without a lot of help and support. I was very lucky to have many people around me to keep me motivated and propped up when I needed it the most.

I would like to thank some very special people, and there were quite a few of you, but some who really stand out -- Don and Betty Parks, Howard Curtis, Ray and Sharon Meesseman and Kurt and Sharon Schwamberger. Thank you all for your friendship, your hospitality and your continued . You all really kept me going!

Finally, to my whole family who supported me and celebrated with me, I want to say, "Thanks!"

- To my husband, who worked all year so I could race!

- To my brother and nephew who painted my car and my trailer and kept them looking nice!

- To my sister who reminded me to "Hang in there and don't give up!"

- To my kids, Shawn, Todd, Scott and Bethany, for cheering me on all year long and not being too embarrassed when their friends said, "Your mom does *WHAT?*"

- To my folks for letting me stay with them all summer while I raced in the northern states!

- To Mom for reminding me to have FUN and enjoy the experience!

- To Dad for giving me a love of cars in the first place!

What I will remember most about competing in 2006:

The 2006 autocross season will always be remembered as a time that Jack and I took for ourselves to be together, race our cars, and visit many states in our great country. We had fun! We enjoyed each of the events, the clubs hosting the events, the workers and the other racers. I thank each of you for your kindness and hospitality.

My plans for the future are:

To spend time with our daughter (Wendy), son-in-law (Dan) and grandson (Jacob). Jack and I still have plans to see more of our country and travel to other countries. We just have to work it into our modified racing schedule.

What I will remember most about competing in 2006:

We competed in all of our usual places (generally in the Southeast, Florida, Carolina and Indiana Regions). It was fun to run and provide support to Donna Littlejohn as she campaigned for

the Number One position. The competition (including the Rock and Kannapolis) was exciting, but the fellowship with our extended NCCC racing family (including the tailgate parties) was outstanding!!

My plans for the future are:

Final plans for 2007 are still in a state of flux. In the off-season, I bought Kay Alexander's C5 Corvette -- still trying to learn how to drive it! Looks like we'll have to practice more. With the birth of our (first) grandson, we'll be balancing family and racing -- guess we'll volunteer for weekday visits so his parents can have the weekends!!

Meeting new people and traveling to different regions' events. We traveled to West Ohio, Michigan and Indiana. Of

My plans for the future are:

Hopefully, start traveling again next year if I can get used to driving my husband's new car or can afford to buy a two-car trailer. I really love competing in the '93 "green turtle."

What I will remember most about competing in 2006:

After ending 2005 in 16th place without realizing at the outset of that year that I would even end up that close to the Top 15, I began 2006 with a plan to get anywhere in the Top 15 and be happy. I considered myself extra lucky when I ended the year with almost 1500 points and only had to travel two weekends more than 200 miles to an event (and then it was only 300 miles!). To those of you who continually travel many hours lots of weekends throughout the year, I don't know how you do it, but congratulations. And to all those Midwest Region people who organized our many events so I didn't have to travel that far, our dedicated timing team from NCCC, and all those workers who sit out there often in the blazing sun, I thank you for making this the most fun possible.

And, of course, my fun wouldn't have been quite as fun as it was if Ski (George) hadn't decided that watching Corvettes drive around for hours at a time wasn't really that boring. Okay, it must be kind of boring, but he enjoys everyone's company. And, as hard as it is for most of us to believe, no...he really doesn't want to race.

Other memorable events: fabulous competition at Grissom (Thanks, Kay); lunch catered at practically every Midwest Region event (Thanks, Gino and Tony.); the last events ever at Lake Geneva Raceway as another racing venue is lost to developers (Thanks, Land of Lincoln and Kevin.); cording my street tires (I don't pay attention to that stuff...the tires were sticking really good!!); and having my competition offer me their car (Thanks, Bailey's.), but choosing instead to put the street tires of a Corvette that was parked nearby on my car for the rest of the day (Thanks, Gutyman's.).

My plans for the future are:

Figuring out if I can really fit a lift in my garage to make room for a 2008 convertible.

I've been an NCCC member since:

1977; we started the club in 1991. I became interested (but not Nationally yet) in autocrossing before my husband and I were married. (He bought the car from me first.)

What I will remember most about competing in 2006:

The one thing I will remember most about racing in 2006 is renewing all the acquaintances I knew before our accident. I re-met some, but not all, of the people I knew before 2003, and had a great time doing it.

My plans for the future are:

My plans for the future of racing aren't very strong. I'm not as fast as I used to be, so I don't do most high speeds so no one catches up with me on the track, but I enjoy the autocrosses immensely.

What I will remember most about competing in 2006:

Waiting until September to decide to make a run for the Top 15 so we could get a jacket in Nashville.

We were on the road headed to Buffalo, MN to pick up the "Red Beast" where it had been undergoing repairs at Doug Rippie Motorsports. Somewhere in the middle of the Illinois cornfields, we called up our buddy, Manny Montgomery, to find out about fall Florida events. He said, "Since you're going to be in Minnesota, why don't you drive over to Flint, MI and pick up 14 events this weekend?" Hmmm, doesn't look so far on the map, so we decided to go for it. We soon discovered it was a teeny bit farther than we had thought, plus the added attraction of towing through 5 o'clock Chicago rush hour, but we made it there and raced with the great folks in Michigan in the rain. Then the rest of the year was spent a bit closer to home -- in the Carolinas and Florida. Our last event of the year was capped off with watching a night launch of the space shuttle across the bay from Cape Canaveral. It was a fun year and I look forward to what 2007 has to bring:

My plans for the future are:

Racing when and where I can, focusing on my new real estate career and, best of all, my new life with Johnny!

I became interested in competing:

I have been a competitor since I was the Tournament of Champions Cadet Box Hockey Champion at age 7 in Superior, WI. Over the years, I have competed in many different sporting events, but I've been competing in the sport of Autocross since 1995; driving a Corvette has given me the

biggest thrills.

What I will remember most about competing in 2006:

Due to changes in our work and play schedules for 2006, I did not think that I would be able to accomplish my goal of being one of the National Top 15 Women for 10 years in a row. I set that goal after my 1998 and 1999 National Championship years. I worked hard to keep the string going, but I didn't think 2006 would be possible. I attended as many events as I could with Jim and then realized that if I traveled a few weekends by myself, I could possibly attain my goal. Team Thomas lost Barney, the Racing Dog, in August of 2006, so even the events I traveled to with Jim were not quite the same. 2006 was a very different year!

My plans for the future are:

With retirement coming in 2007, this will be another different year. We probably will not travel too far to compete but will take advantage of every opportunity. We plan to mix competition with a few other things we have always wanted to do or go see. We look forward to stopping at some of the many spots along the way that we have always passed by going to or coming from a weekend event.

The rain and more rain at Hallett; the heat of many events in the SW Region; the miles and miles of traveling in the Yukon with the little red Corvette, the only thing I could see in my rear-view mirror; the hunt for good local restaurants (not chains) when we traveled; the out-of-region events where everyone was so helpful and friendly to us competitors whom they didn't even know...but mostly the fun of meeting new people and socializing with friends makes competition lots of fun.

To continue to compete for "FUN" and to enjoy my grandkids.

Our racing pace slowed dramatically in 2006 compared to 2005. Mark had a lot of work to prepare for the 2006 Convention and my mother became very ill, so our racing took a back seat. Although we didn't travel to all our favorite race venues from 2005, we were able to travel to a few and see our racing buddies. I was not able to make most of the 2006 Convention due to my mother's illness, but I did enjoy seeing friends at the banquet. We are traveling even less this year, giving Mark more time to work on the '57. Lord willing, we will actively race more next year.

Michiana Corvette Club celebrates 50 years of serving the community as a car club, in 2007. Throughout the year in 2007, Michiana Corvette Club will be planning many special activities, outings, road trips and just plain fun with Corvettes in an attempt to commemorate 50 years of enjoying Corvettes and related activities in our community.

Throughout the past 50 years, Michiana Corvette Club has participated in many parades, swap meets, car shows like: "The Cavalcade of Wheels," as well as several charity fund-raisers. It's more than just having and driving Corvettes. It's about community and making a difference in that community. As a Club, we have raised thousands of dollars to support organizations such as **SPINA BIFIDA, CYSTIC FIBROSIS, THE HOMELESS SHELTER** and others. We drive our cars in many of the area parades, and the response we get from the kids (young and old) is fantastic. Many of the boys and girls lay claim to their favorite Corvette as it drives by. It's amazing; they all know it's a Corvette, no matter how old or new it is. One year we took folks from an area nursing home in our cars through the Blueberry Festival Parade in Plymouth, Indiana. It appeared that for a brief moment, many of them felt young again as they waved to the parade watchers from their seats in the Corvettes.

In 1957, a small group of car enthusiasts in the Michiana area got together because of their love of the automobile. They came from different heritages and vocations, but they shared one thing in common; they loved the Corvette and wanted to share some of that love and appreciation with their community. That is where the Michiana Corvette Club began. For 50 years, Gate's Chevrolet has been a continuous sponsor of the Michiana Corvette Club. Today, Michiana Corvette Club is one of the oldest continuous running Corvette clubs in the country. With over 120 members and hundreds of others over the past 50 years, the Michiana Corvette Club is planning to celebrate. On Saturday, July 14, 2007, we are inviting all members, past and present, for a "Special Celebration." The celebration will consist of social activities, door prizes, pictures and a great meal. There will also be a special presentation given by a representative of the National Corvette Museum. We are hoping that **all members, past and present**, participate. If you are a past member or know of a past member, please contact Bob Zoerner, Mike MetCalfe or Greg Gill, so we can get you plugged into our celebration.

NCCC's 2006 Top 15 Men

#1 ~ Jack Wilson

Northern Illinois CC
Midwest Region
NCCC member and competing since 1991

What I will remember most about competing in 2006:

The days on the road traveling across the country with my wife Janet, meeting new friends and renewing old friendships. All regions, host clubs, workers and competitors were most welcoming.

My plans for the future are:

Enjoy competing, supporting the NCCC organization and do more vacation pleasure traveling.

doing something that I enjoyed as much and the friendships that were established were priceless. Thanks to everyone who helped and guided us on our journey last year

My plans for the future are:

Stay closer to home in 2007 and then hit the road again in 2008.

#2 ~ Geoffrey Gott

Tiretown CC
East Ohio Region
NCCC member and competing since 1977

What I will remember most about competing in 2006:

The out-of-town parties we had while chasing our 10th National Championship!!

My plans for the future are:

I will be out looking for a good time.

#5 ~ Ray Meesseman

Michigan Autocross Group
Michigan Region
NCCC member since 1972
Competed since 1970

I've always been competitive and I began autocrossing in 1970. I joined NCCC in 1972. I went to my first Convention in Indiana in 1973 and we have only missed a couple since. 2006 was a bad

year for breakage: two engines, one clutch, one transmission and two half shafts, but we still had a lot of fun. Thanks to all who lent us their cars.

My plans for the future are:

We plan to continue racing, seeing old friends and making new ones. Remember, "Let's not ask what NCCC can do for you, but what can we do for NCCC."

#3 ~ Howard Curtis

Elkhart Vette Set
Indiana Region
NCCC member since 1998
Competed since 2001

#4 ~ Kurt Schamberger

Michigan Autocross Group
Michigan Region
NCCC member since 2003
Competed since August 2004

What I will remember most about competing in 2006:

First of all, I remember thinking that Sharon was nuts when she said she wanted to make the Top 15 last year. Second, I would like to thank her for talking me into doing it. Finally, I can't remember

#6 ~ Don Parks

Corvette Atlanta
Southeast Region
NCCC member since 1974
Competed since 1975

What I will remember most about competing in 2006:

Let's see -- entered 229 (46 in region) over 18 weekends, so picking one weekend is going to be hard. Southern National in NC; "The Rock," SC; Putnam Park in IN, and finally Roebing Road in GA were all near the top of a long list. However, if you factor in tailgate parties...Grissom AFB in IN is always a winner!

My plans for the future are:

I'm merely the tow vehicle driver, so I just go wherever S.T.S.B.O tells me! I think she is making a list and checking it twice...I'd better go kick the trailer tires.

#7 ~ Pancho Thompson

Tiretown CC
East Ohio Region
NCCC member and competing since 2001

What I will remember most about competing in 2006:

The fun that I had running all over the country with my friends and the help that I received along the way from them, especially Rob Ovall, Kenny Kessler, Geoff Gott, Dale Clark, Mike Edmondson and Danny Popp.

My plans for the future are:

Just to relax and get healthy again!!

#10 ~ Denny Murphy

Tiretown CC (10-time National Champions)
East Ohio Region
NCCC member and competing since 1975

What I will remember most about competing in 2006:

Running with the 40-year-olds!!

My plans for the future are:

Golf and fishing and MAYBE waxing my new Corvette -- silver, maybe!

#8 ~ Rob Ovall

Tiretown CC
East Ohio Region
NCCC member since 2001
Competed since 2002

What I will remember most about competing in 2006:

My last event of the year. I was heading to Virginia Beach for the 14 events when I lost a wheel on my trailer. My 2007 Z06 lost a transmission. My father-in-law's car broke; Michigan lost to Ohio State and I got stuck with the tab at Hooters.

My plans for the future are:

To slow down a little bit for a year or two; enjoy my new house; spend more time with my family and rebuild my checkbook.

#11 ~ Patrick Wrigley

Fort Wayne CC
Indiana Region
NCCC member since 2002
Competed since 2003

#12 ~ Barry Leone

Shiawassee CC
Michigan Region

#13 ~ Michael Edmondson

Corvette Troy
West Ohio Region
NCCC member and competing since 2001

What I will remember most about competing in 2006:

The best thing of the 2006 season was all of the great people I met. I was always welcome wherever I traveled. We now have lots of friends across the eastern half of the U. S. because of all the events we attended.

My plans for the future are:

To finish my second race car (1997 C5) and find more road course events to attend.

#9 ~ Mark Stouffer

Central Pennsylvania CC
East Region
NCCC member since 2003
Competed since 2004

What I will remember most about competing in 2006:

Buying my first set of Kumho tires and having the best runs of my time, as well as traveling to different regions and meeting a great bunch of new people.

My plans for the future are:

Hopefully be able to travel more in 2008 to wherever my wife makes plans.

#14 ~ Johnny Haskell

Carolina Corvettes
Carolina Region
NCCC member and competing since 1998

What I will remember most about competing in 2006:

The people, the travel...It's all a lot of fun.
My plans for the future are:
 More of the same...Debbie and I enjoy the competition.

#15 ~ Jack Alexander

Blue Bars

ADVERTISING OPPORTUNITIES LIKE NONE OTHER!

The National Council of Corvette Clubs is offering advertising opportunities in its quarterly publication *Blue Bars* to Corvette-related businesses, clubs, and NCCC Regions. Why should you consider advertising in this publication?

- Favorable rates
- Official publication of the largest single car club of its kind in the world
- Average circulation in excess of 11,500 copies

The interests of our membership are varied—competition, car shows, parades, charitable events, and numerous social events, all of which are sponsored by our clubs. As the interest of our membership is so varied, so are their needs for Corvette-related products, services, and activities.

Don't miss this great opportunity to market your products, services, or events to Corvette enthusiasts across the country.

Corvette Troy ~ \$340,000 Provided to Charity

Corvette Troy is well known in NCCC and often referred to as a "racing club," a distinction we appreciate although the club hosts the full range of typical Corvette activities. Twenty-four years ago the club decided to improve our support to the community. Since 1984, we are pleased to have provided over \$340,000 to improve the lives of Spina Bifida families and assist other charities. The club currently contributes \$25,000 per year to charity.

Funding provided to the Spina Bifida Association of Greater Dayton is used to assist over 200 individuals in purchasing needed medical equipment, supplies and home modifications not covered by insurance and enables children to attend an all-accessible summer camp. We also host an annual Christmas party that provides an opportunity spend some time with the Spina Bifida children and families. Santa presents toys specifically chosen for each of the children. Entertainment, such as a puppet show or magic show, is enjoyed by all.

The club's fund-raising this year enabled us to also allocate \$4,000 to a charity car repair program, the township emergency life squad, a college scholarship and to our local hospice in memory of members, Jay Lamke and Ev Shuman.

Our major fund-raising event is a benefit drawing where two new Corvettes are awarded to the lucky ticket holders. This is a moderately expensive but "good odds" event in that a maximum of 500 tickets are sold for \$250 each. This provides each ticket holder two chances of winning a new Corvette!

Each ticket holder may bring a guest to the gala Benefit Drawing party featuring complimentary food, drinks and a live band. Ticket holders may view their ticket stubs before they are put in a barrel, and the tickets are drawn out one-by-one until the last remaining ticket wins the first car. The 499 non-winning tickets are then put back in the barrel and the winner of the second car is drawn as an instant winner. The benefit drawing is a precision process and well honed over the years.

Other prizes are presented, including a \$1,000 prize to the runner-up. Last year we gave away a 1:12 scale museum quality C5R model. Corvette Troy is sponsored by Bud's Chevrolet in St. Mary's OH, one of the largest Corvette dealers in the country. They provide us with two new Corvettes at a competitive price delivered on time, every time!

We always sell all of the tickets, but we would like to expand our ticket-buying base to include more avid Corvette enthusiasts. To order a ticket for this year's event, please contact me at the phone number or email address shown below. Please be advised

tickets sell quickly each year. We hope more of our NCCC friends will join us in our charity fund-raising event this year!

FCOA MEMBER #3500 ~ ALEXIS

When Jeannie and Mike registered their youngest daughter for FCOA membership, they were surprised that two-year-old Alexis ("Lexi") became the 3500th member of FCOA. Lexi's five-year-old sister Ashley became a FCOA member in 2006 as # 3272. Her parents joined Sonoran Desert Corvettes a little over a year ago and have been NCCC members for several years. Her mom is currently a Board Member for the club and really enjoys all the terrific people in the Corvette world.

Like many girls her age, Lexi's favorite color is purple. Among her favorite things are bubbles and a stuffed animal named "Kitty". Lexi really likes playing outside especially when she can ride in Ashley's battery-powered Corvette!

Lexi and Ashley are pictured by mom's 2005 Victory Red Vette with its chrome wheels and Borla Exhaust. Lexi likes riding in the Vette and has been to one Corvette Club "Mystery Meal". Her dad has a classic Mustang so the whole family has fun with "which is the best car"! Lexi is too young to know what kind of car she'll prefer later but rumor has it that her mom is working on swaying the girls her way!

Congratulations, Lexi, for being FCOA member #3500!

BLUE BARS SUMMER 2006

ATTENTION NCCC MEMBERS!!

Have you moved? Has your name or address information changed?

If you can answer "YES" to any of these questions, it is important that you notify NCCC of these changes. You can do that two ways: by going to the NCCC website and clicking on Address Change Form and making your changes directly online or by notifying your Regional Membership Director or, in the case of members-at-large, the Vice President-Membership Bob Bowen. (*Bob Bowen's contact information can be found on this page and RMD contact information can be found in the "Regional News" section of this magazine.*)

It is important that the NCCC membership database be kept as up-to-date as possible, because this database is used to generate labels for each issue of *Blue Bars*, as well as for mailing membership packets and other pertinent information that NCCC mails out to the membership.
